

Product description Begonia

Begonia carpet tiles are of a luxury twist pile construction in plain solid colours, which brings together some of the latest trends in colour. Begonia luxury twist pile texture achieves a beautiful broadloom effect once installed. The product is manufactured of the latest patented Antron yarns; these achieve outstanding soil hiding, and durability making the product suitable for most heavy contract locations.

Begonia is a standard stock product and readily available for delivery being supplied to a net work of dealers through out the United Kingdom, via our website @ www.flooringindustries.co.uk
