

## **Product description Fuchsia**

**Fuchsia carpet tiles are a multicoloured luxury product, which brings together some of the latest trends in colour with 12 colours reflecting the latest colour concepts. Fuchsia multicoloured texture and design achieves a beautiful broadloom effect once installed. The product is manufactured in the latest patented Antron 6.6 yarn; which has outstanding soil hiding qualities, and durability making it a product suitable for all most all heavy contract locations, particularly where design and image is a paramount consideration.**

**Fuchsia is a standard stock product and readily available for delivery being supplied to a net work of dealers through out the United Kingdom, via our website @ [www.flooringindustries.co.uk](http://www.flooringindustries.co.uk)**
