

Maestro 4000 Carpet Tiles product description

Maestro 4000 has a flexible colour pallet, which easily coordinates with any office interior. This durable cost effective carpet tile, offers a fresh pallet of practical yet modern colourways within a reasonable budget. Maestro 4000 can either be laid broadloom or quarter turned achieving a high quality finish. The product is manufactured out of BCF Nylon-space dyed Yarn for its durability and attractive multicoloured appearance that effectively takes the eye away from the effects of dirt and soiling, whilst offering excellent practical performance. Maestro 4000 is suitable for a wide range of commercial locations and is particular popular for use in office accommodation.

Maestro 4000 is a standard stock product and readily available for delivery being supplied to a net work of dealers through out the United Kingdom, via our website @ www.flooringindustries.co.uk
