

Product description Montana

Montana carpet tiles are a low cost flooring solution, which offers a practical range of 13 colours at budget. Montana is suitable for medium use commercial projects, or a heavy domestic application. Montana can either be laid broadloom or quarter turned, having a good quality finish. The product is manufactured out of durable polypropylene, and can be considered for budget conscious projects requiring a low cost temporary or permanent solution.

Montana is a standard stock product and readily available for delivery being supplied to a net work of dealers through out the United Kingdom, via our website @ www.flooringindustries.co.uk
