

## **Resort Carpet Tiles product description**

Resort has a practical range of 12 popular, rich and vibrant colours, which are designed to coordinate with the modern office interior. This durable product is ideal for the corporate office user looking for practicality. Particularly when floorcoverings are being replaced when floor boxes are being repositioned and extensions, walls and cupboards are moved, thus requiring new carpet. Resort has great dye consistency between one batch and another. This along with superior colour retention Resort has better appearance consistency from one batch to another and therefore floors look better when replacement tile are laid. Resort can either be laid broadloom or quarter turned achieving a remarkably high quality finish that is virtually seamless. Resort is manufactured in a robust polyamide solution dyed yarn that is effective for its soil hiding properties and stain resistance. Resort is suitable for a wide range of commercial locations and is particular popular for use in office accommodation by corporate end users.

Resort is a standard stock product and readily available for delivery being supplied to a net work of dealers through out the United Kingdom, via our website @ [www.flooringindustries.co.uk](http://www.flooringindustries.co.uk)
