

Tulip Entrance Carpet Tile

1st April 2008

Warranty

10 years subject to Flooring Industries Conditions

Construction

1/8th Gauge Tufted Cut Loop

Fibre Type

Polyamide with PIP brush

Total weight

4.8kgs sq. mt. (Nom)

Pile weight

800 g/m² (Nom)

Backing

Bitumen with glass fibre

Dimensions

Pile height 5.4mm(nom), Total height 9.0mm(nom), Tile size 50cm x 50 cm(nom)

Dimensional Stability

ISO 2551

Flammability

EN 14041: 2004, EN ISO 9239-1 Cfls1

Static

Permanently antistatic Stroll Test PrEN 1815 <2K

Usage

Extreme Heavy Contract

Castor Test

EN1307 Class A Suitable for continuous use

Thermal retention

Suitable for Underfloor heating

Environmental

Compatible production. Gut 23213 Minimal odours and emissions, Recycled waste

Installation

Install to BS5325, CFA: best practice guide. Broadloom or Tessellated
